### I would like to upgrade my membership level with the CHP 11-99 Foundation to:

- BRONZE (\$5,000)**  
(+ Spouse/Partner add \$1,500)
- SILVER (\$10,000)**  
(Spouse/Partner Included)
- GOLD (\$25,000)**  
(Spouse/Partner Included)
- PLATINUM (\$100,000)**  
(Spouse/Partner Included)

The upgrade amount owed is the difference between what you've already paid in membership fees for your current level and the price of your desired membership level. For example, if you joined at the Classic level for \$2,500, you would pay an additional \$2,500 to upgrade to the Bronze level. The same applies to couples - if you paid \$3,500 for your Classic level membership with your spouse/partner, you would pay an additional \$3,000 to upgrade to Bronze level.
