## 2021 Ford® Bronco® OUTER BANKS™

The all-new Bronco two and four-door traditional midsize SUVs represent the flagship models for the Built Wild™ Bronco brand and are ready to deliver thrilling off-road experiences with their heritage-inspired style, rugged engineering and smart off-road technology. Bronco's OUTER BANKS model is perfect for those who prefer style and technology on-road and off.

Built with the toughness of an F-Series truck and the performance spirit of Mustang, the OUTER BANKS model remains true to the original DNA of Bronco while highlighting innovative and stylish features that elevate the functionality of a rugged SUV.

Bronco's OUTER BANKS four-door soft-top (top left) and its two-door hard-top models (above center) in color, Area 51.

Bronco owners can choose from an extensive lineup of more than 200 factory-backed accessories for maximum personalization, enabling dealers to provide outfitting-on-demand for each customer's individual adventure needs.

### Built Wild 4x4 Confidence

Just like the first-generation Bronco, nicknamed G.O.A.T. (Goes Over Any Type of Terrain), the mission of the all-new 2021 Bronco is to deliver maximum 4x4 capability and confidence. Bronco incorporates off-road

mapping and drive technologies to give novice adventurers as much fun as hardcore off-road experts, while its Built Wild durability is designed for lasting performance in the harshest of conditions.

**This year, the grand prize winner will receive the Ford Bronco OUTER BANKS (base model), PLUS an additional \$10,000 in cash if the winner chooses the Bronco instead of our \$50,000 cash prize. Any additional upgrades beyond the base model is the responsibility of the winner.**

Best of luck and thank you for supporting our mission!
