AN ORGANIZATION DEVOTED TO THE WELFARE OF CALIFORNIA HIGHWAY PATROL EMPLOYEES AND THEIR FAMILIES

2016 Annual Report

Celebrating 35 Years! The Vision and Legacy Continues

As the CHP 11-99 Foundation celebrates its 35th Anniversary, we would like to pay tribute to our founder – an incredible man whose vision, philanthropic spirit and compassionate concern for the well-being of California Highway Patrol employees started it all – Bob Weinberg. Bob recognized a critical need, which birthed his dream of creating an organization solely devoted to supporting CHP families. Not only has his dream been fulfilled, but the 11-99 Foundation has grown to unbelievable measures over the years. We are sure he would be delighted and very proud of what the 11-99 Foundation has become, and the work that continues in his stead. We honor Bob's memory and readily carry on the torch that our dear friend ignited 35 years ago.

We salute you, Sir.

"My father was in the Navy during WWII and he had great respect for the military and law enforcement. He believed everyone in America should be thankful for the men and women who put their lives on the line every day in order for American citizens to be safe and free. I'm thrilled to see my Dad's vision of the work of the CHP 11-99 Foundation continue to grow."

25 Years of Time, Talent and Treasure

For the past 25 years, the CHP 11-99 Foundation has been extremely fortunate to have Bruce Meyer and John Schroeder serving on its board of directors. It is rare to find such commitment shown to an organization. Their dedicated presence deserves much credit for the ever-expanding growth of the 11-99 Foundation.

John Schroeder

John Schroeder learned about the 11-99 Foundation through his best friend's father, Frank Clark, who was also a client of John's at the time. John began serving on the Board in 1993 as a director, and later served as secretary, vice-chairman, and chairman. Currently, he is chairman of the scholarship committee.

John also has a family connection to law enforcement. "My older brother, Pat, is a retired L.A. County Sheriff. He always wanted to be a cop and became a Deputy Sheriff at 21. I've always been proud of

Bruce Meyer

Bruce Meyer has been actively involved with the 11-99 Foundation since 1990 – first as a lifetime member, then as a member of the board of directors and ultimately as chairman.

"I was a Reserve L.A. Policeman in the D.A.R.E. years. When Daryl Gates started D.A.R.E., he asked me to be fundraising chairman, so I served downtown promoting the program and raising awareness. After watching

me in action, Bob Weinberg approached me with CHP Officer Dave Helsel and asked me to join the 11-99 Foundation. I told him I'd be happy to.

Prior to the start of the 11-99 Foundation, the California Highway Patrol was helping their own to the best of their ability, but they weren't really equipped to provide the level of support that was

MESSAGE FROM THE COMMISSIONER

J. A. FARROW
 Commissioner
 California Highway Patrol
 P. O. Box 942898

J. A. Farrow
CHP Commissioner

Greetings,

Over the years, the California Highway Patrol has benefited from the exceptional people who have propelled this organization into what it is today. They spend a great deal of their life serving this Department and the people of California. Yet, some make the ultimate sacrifice in fulfilling their oath, "... rather than swerve from the path of duty." We are left with the memories of their remarkable character and stories of their selfless acts.

Though life has many hurdles and obstacles that at times seem impossible to overcome, and bring distress to California Highway Patrol members and their families, I find comfort in the knowledge that an organization as honorable as the CHP 11-99 Foundation answers the call to support our employees and their families in times of despair.

Throughout 2016, the Department, alongside its family members, endured tragedy and heartbreak with the loss of one of our own. Although there is no easy remedy for this kind of agony, the CHP 11-99 Foundation, without hesitation, provided the comfort and assistance to this family in need. The CHP 11-99 Foundation quietly continues these generous acts with no recognition sought or anticipated in return. Rather, the assistance is offered solely to alleviate the unforeseen hardships.

The CHP 11-99 Foundation and the California Highway Patrol continue to share a unique and irreplaceable relationship, which has proven to be invaluable, providing support during times of great need to the men and women of this Department. Above all the CHP continues to fulfill the mission and serve the people of California. I want to express my deepest appreciation on behalf of the entire Department for the acts of kindness and your thoughtful gestures, which are truly uplifting and help give us strength to carry on.

Sincerely,

J. A. FARROW

MESSAGE FROM THE CEO

Stephen W. Harrington
Chief Executive Officer
11-99 Foundation

We are proud to share our 2016 Annual Report, which highlights some of the ways we have assisted CHP families. We are also happy to share with you many of the great programs, events and individuals who contributed to another very successful year for the 11-99 Foundation. 2017 marks the 35th anniversary of the CHP 11-99 Foundation. Founded by visionary philanthropist, Bob Weinberg, the 11-99 Foundation has grown into the largest non-profit agency in the Country that supports highway patrol officers. From the beginning, our mission has been to support CHP employees and their families in times of need. Our ability to provide ongoing support in these times is because of the generosity of our members and donors.

The CHP dispatcher call sign "11-99" means "Officer needs assistance". When the call goes out, the CHP responds immediately. The 11-99 Foundation adopted this call sign into their name 35 years ago to reflect the same measure of action—to respond immediately. As requests for assistance come in, CHP families can count on our quick response. We are truly grateful for the many donations we receive each year that help to ensure we have the resources to answer these requests.

To our members and donors, thank you! We are only able to provide assistance to the hard-working men and women of the CHP because of your kind generosity!

Have a safe 2017.

CHP 11-99 BOARD OF DIRECTORS

MESSAGE FROM THE CHAIRMAN

I would like to take this opportunity to thank all of our members and donors for your faithful and generous support this past year. You have once again risen to the call to assist the men and women of the California Highway Patrol as they continue to put themselves in harm's way to secure our State's roadways. The 12,000 members of the CHP who faithfully serve our great State know that we stand with them during their time of need.

In our 2015 Annual Report we were blessed to say that for the first time in several years we did not have a line of duty death in the ranks of the California Highway Patrol. For 2016, unfortunately we cannot say the same. The high-risk nature of the job performed by officers once again made its presence known as another officer made the ultimate sacrifice. Thanks to your support, the CHP 11-99 Foundation was there to provide financial support to Officer Nathan Taylor's family and to try to reduce some of the tremendous burden that can overtake a family and community in times of hardship.

It is our mission at the CHP 11-99 Foundation to be the first responder to come to the aid of an officer who goes down in the line of duty.

In addition to being prepared for line of duty deaths and emergencies, we will also continue to meet special needs of CHP families that arise, as well as our scholarship program which awarded \$1.8 million in 2016.

We are thankful for all of your support in the past and hopeful for your continued generosity in the future, so that when called upon again, we can respond immediately to those who have so bravely protected us.

truly needed. We wanted to be there for them and we wanted to go *above and beyond*. For instance, providing a specialized van for a child in a wheelchair. Most families just can't write that check. Yet, we can and we do.

A large part of my business involved direct mail, and that experience made it tremendously helpful reaching out to people when it came to fundraising. I was always out there promoting the 11-99 Foundation to friends and family.

As a board member of St. John's Health Center, the Petersen Automotive Museum, the Beverly Hills Police Foundation, and the Henry Ford Museum Foundation, my friends used to tease me: "Don't make eye contact with Bruce or it'll cost you." I've known so many generous people who've never hesitated to give, and these personal relationships allowed me to bring in so many new members and donors. I'm fundamentally a grateful and passionate person, and I believe everything that really counts in life comes from the heart."

Not long ago, Bruce won a new car at the Pebble Beach car show drawing. In his usual fashion he signed it over to the 11-99 Foundation, put it up for auction, and raised a huge sum of money, which all went directly to help the families of the CHP. During Bruce's 25 years (and counting) on the 11-99 Board, he has served as chairman, has been on numerous committees, and is currently board secretary. Bruce truly is one in a million!

him and I guess my involvement with the 11-99 Foundation began as a kind of thank you to him.

I'd clerked in the criminal arena when I was in law school and came to understand what life was really like for the CHP. Most people don't completely understand how dangerous and thankless the job is. They're always out there helping us, but how many of us ask ourselves what we can do for them?

I'm very proud of what we do. It's one of the real joys in my life. Currently, we're giving out over 900 scholarships totaling nearly \$2 million a year to the children of CHP employees. We also provide death benefits to all CHP employees; not just

sworn officers. Our special needs fund is helping families stay together when treatment means being far from home, and providing resources that make life easier for those living with disabilities.

We've been fortunate to have some very generous donors who enable us to do all this. We're lucky to have Steve and Becky and the rest of the 11-99 staff, who keep everything running smoothly. Also the men and women of the Board who do so much without ever taking a dime for it. We all get to share the joy of giving back something... and saying 'thank you'."

THE ULTIMATE SACRIFICE

"If necessary, lay down my life..."

On Saturday, March 12, 2016, Gold Run Area Officer Nathan Taylor was struck by a vehicle while investigating a collision on westbound Interstate 80, in the Truckee Area. Officer Taylor suffered major injuries as a result, and was transported to a hospital in Reno, Nevada.

Despite his courageous battle and the valiant efforts of the medical staff, Officer Taylor succumbed to his injuries the next day. He was surrounded by family and friends at the time of his death.

Officer Taylor was a six-year veteran of the CHP. He is survived by his wife, Rebecca, his sons, Preston, Wyatt, and Joshua – ages 8, 5, and 3, as well as his parents, grandparents and siblings.

The CHP 11-99 Foundation provided immediate assistance to Officer Taylor's family. Thank you for your support in enabling us to continue our most important mission to CHP families.

"Nathan Taylor was a good man. He was kind, and giving, and he wanted to help... He inspired me to be a better man."

REMEMBERING OUR DEAR FRIEND, JACK CAMPBELL

JACK CAMPBELL
1923 — 2016

We are deeply saddened to report that our dear friend, founding 11-99 board member and humanitarian, Jack Campbell, passed away on December 13, 2016. Jack was a special friend of our founder, Bob Weinberg, and was one of the first members to join the 11-99 Foundation when it first began back in 1982. He served on the 11-99 Foundation's Board of Directors for nearly 20 years, spending one term as chairman, then held the office of treasurer for the rest of his tenure. He was instrumental in helping to take the Foundation to the level it is today.

Jack's long history of volunteerism includes co-founding Downey Youth

Football, serving as chairman and treasurer of Downey Regional Medical Center Memorial Trust Foundation, and of the Downey Police and Fire Foundation.

Jack built a successful business as founder, president and CEO of Campbell Lodging, Inc., which produced over 100 hotels in more than ten states. He was honored with numerous awards for his devotion of time and talent in strengthening the hotel industry.

Jack is survived by his wife Peggy, five children, 15 grandchildren and two great grandchildren.

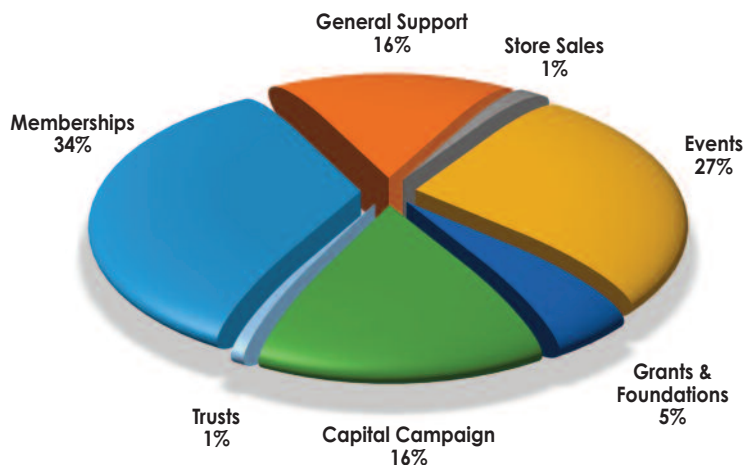

He was a wonderful, kind and generous man, and will be greatly missed.

MAKING A DIFFERENCE!

"Moving with Grace" – custom Toyota minivan to accommodate Grace and her wheelchair.

Grace Starr was born with Coffin-Siris Syndrome, a rare genetic disorder with no cure, and only 100 cases reported worldwide. Grace's parents, CHP Officer Ryan Starr and his wife Brenda, have overcome numerous issues dealing with Grace's special needs, such as finding her a special wheelchair, a special-needs preschool, and doctors and therapists to assist in giving her a quality of life she otherwise would not have. One major challenge they struggled with was finding transportation that would accommodate Grace and her wheelchair, since she is

FULFILLING A NEED FOR GRACE

unable to sit in a traditional car seat or booster seat. So, the Starr family humbly submitted a request to the 11-99 Foundation for assistance to help them secure a specially equipped van.

As the 11-99 staff put their heads together to determine a way to grant this special request, they thought of Gold Level Member and longtime donor, Fritz Hitchcock, of *Hitchcock Automotive*. After thorough research, a 2014 Toyota Sienna minivan with the exact special handicap equipment they needed was located and determined to be the best vehicle for Grace. Although the van was not found at one of Mr. Hitchcock's dealerships, being the gracious man he is, Mr. Hitchcock generously provided for a portion of the vehicle's cost.

As soon as the paperwork on the van was signed, sealed and delivered, the Starr family sent photos of Grace and her new ride to everyone at the Foundation office, as well as to Mr. Hitchcock. We are pleased

we were able to assist with this request, and know this would not be possible without the generous support of ALL of our members and donors, and in this case, especially Mr. Hitchcock.

LETTERS FROM BENEFIT RECIPIENTS

Dear Foundation Directors,

My wife and I wish to extend our thanks to the CHP 11-99 Foundation for your financial assistance.

In 2008, our son was diagnosed with Burkitt's, a very aggressive form of lymphoma. In 2014, our son began treatment for severe spinal stenosis and CVID (Common Variable Immune-Deficiency), for which he receives day-long infusions of immunoglobulin every 28 days at UCSF.

In 2015, he was diagnosed with a recurrence of Burkitt's, stage III, as well as a mass in the right atrium of his heart. After two rounds of chemo-caused intense cardiac stress, our son chose to suspend treatment with a prognosis of 6 to 9 months of life.

That was almost a year ago. Our son is tough; he's still here, he's still fighting, he's beating the odds... your donation has helped alleviate medical costs, and we truly appreciate your consideration.

Again, thank you for your assistance.

Dear 11-99 Foundation:

I can find no words that begin to adequately describe my appreciation and astonishment upon receiving your unexpected gift. Your generosity humbles me, yet I am so proud to receive it.

I feel it is an honor to me and my husband. I remain in awe and wonder by the goodness of your foundation.

You made it possible for me to bury my husband and eliminate any immediate financial concerns. The enormity of my loss, after 38 years, is beyond description. Yet, my heart is shouting, 'Thank You!'

CHP 11-99 SCHOLARSHIP PROGRAM

MESSAGE FROM SCHOLARSHIP COMMITTEE CHAIRMAN

John Schroeder

Scholarship Committee Chairman

I have had the pleasure of serving as Scholarship Committee Chairman since 2014. It is an honor and very satisfying to be involved with the Scholarship Program, as I believe it is a crucial piece of what we do and who we are as an organization.

We have been awarding scholarships to children of CHP employees for 30 years, and have given over \$24 million total in scholarships to deserving students. I am amazed and very grateful to be able to say that our scholarship program has continued to grow significantly each year. With perpetually rising costs of education, our goal is to meet the rising need as our pool of applicants also grows.

In 2016, we provided \$1.84 million to over 1,000 students, with scholarships ranging from \$1,000 to \$20,000. Full-tuition awards were offered to nine recipients whose parent was killed in the line of duty, and we had 12 recipients of the Sullivan Advanced Study Scholarship, with awards ranging from \$5,000 to \$20,000.

I would like to thank the Automobile Club of Southern California, for their solid support and continued partnership in our scholarship program. Also, I would like to extend our appreciation and thanks to Suzanne and Godfrey Sullivan for their generosity in making it possible to carry on the Sullivan Advanced Study Scholarship for outstanding students with great financial need.

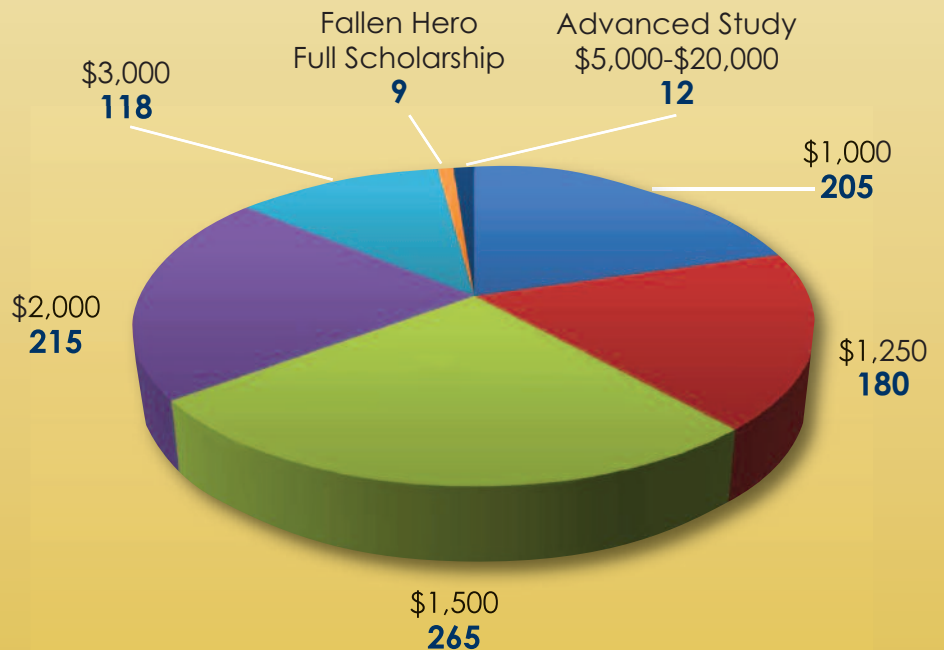

Our vision for the coming years is to encourage and inspire students to strive towards excellence as they travel on their

educational path, whether it be at a community college, university, or trade/technical school. If our scholarships relieve even a small amount of the burden of educational costs, we believe this is a vital part of our purpose.

Many thanks to our generous supporters, who have been so kind and thoughtful to support our Scholarship Program and make it possible for us to reach more students and continue helping CHP families in this important way.

PROFILES IN GENEROSITY

The following highlights our generous donors and friends who are faithfully dedicated to helping CHP families in need.

GENEVIEVE and LEW GEYSER

"My wife and I have a very good friend whose son is a CHP officer. At his son's wedding our conversation turned to college. He told us about the 11-99 and what their scholarship program was doing for families like his. That peaked our interest, so Genevieve and I started looking into the Foundation, and discovered the money they raised truly goes to supporting CHP families. It seemed great... because it is great.

Last year, Genevieve and I got five letters from students saying thank you for helping them get to college with 11-99 Foundation scholarships. We've been involved with a lot of organizations over the years, but we've never gotten letters like these; handwritten, personal, sharing

details about who these young people are and what their education means to them. That was pretty cool. And it tells me something about the character of those families, the California Highway Patrol, and the 11-99 Foundation.

It's hard for people to imagine what happens on these highways. One night I hit a pig on the freeway. A wild boar. It crushed the hood of our car. The CHP arrived and said it happens all the time. Things you can't see coming. And day after day they ride out across miles of roads to meet it. These are educated men and women who could be doing other things, but they choose to serve the public, which makes it so important we serve them too."

Mr. Perricone lovingly prepared his signature sausage and peppers for golf tournament attendees for 28 years.

JOE and SAMMY PERRICONE

The CHP 11-99 Foundation is a family legacy for Joe Perricone and his nephew, Sammy. The two men were introduced to the 11-99 Foundation by Joe's late father, the much beloved, Sam, Sr. (shown at left).

"Dad would come out every year for the golf tournament," says Joe, "to grill hot dogs and his famous Anaheim Peppers for everybody. They called him 'Sgt. Pepper'."

Sammy adds, "As a kid, I started cooking peppers at the tournaments just because I liked being with him. But then I started to realize what it's all about. You meet people with their families, and you realize you're part of something that helped them through a hard time. It inspires you. You want to keep making a difference."

Joe: "Our family is very close. I'm sure the extended family vibe was meaningful to Dad. The brotherhood of the officers, the bonds in their families, the love and support of their community and friends. My Dad taught us to value responsibility and loyalty, and if you look around one of these events you'll see it everywhere. That inspires me to do what I can do and help where I can help most."

"Until you've known them personally, it can be hard for people to understand the CHP aren't just out there to give you a traffic ticket," says Sammy. "They're keeping roads safe. They're putting themselves between someone in distress and cars speeding all around them. That's dangerous work, but most people's first thought is, 'Oh, I better slow down. I don't want a ticket.'" These officers are taking huge risks to keep us safe and I'd like more people to appreciate that."

"Absolutely," adds Joe. "You've got to experience their humanity and kindness and friendship apart from the uniform and you don't get that just looking out your car door. So I'm glad the Foundation has events where the public has an opportunity to experience it for themselves."

These officers are putting themselves between someone in distress and cars speeding all around them... taking huge risks to keep us safe and I'd like more people to appreciate that."

EXTRAORDINARY ACT OF COURAGE

CHP San Francisco Area Motorcycle Officers J. Maya and D. Ribergaard responded to a call regarding a citizen who had climbed over the railing of the Bay Bridge in an attempt to commit suicide.

Upon arriving at the location, Officer Maya established communication with the woman and was able to open a dialogue with her. After several minutes of speaking with her, Officer Maya tied a tow strap around his waist and climbed over the bridge railing to close the distance between the two of them.

Officer Maya continued to be there with the distraught woman as he held her hand and sympathetically listened to her. After approximately twenty minutes of being engaged in crisis negotiation conversation, the woman stood up, hugged Officer Maya, and climbed back over the bridge railing.

Officer Maya was presented with a California Assembly Resolution Commendation for his life-saving and heroic efforts.

At left: Officer Maya shown offering empathy and a life-saving conversation to a woman attempting suicide.

The Sam Rad Golf Classic honors the memory of Samuel Radovich, a Dublin CHP officer who was 32 years old when he passed away just days after being diagnosed with Leukemia.

Sam's family and friends, with the help of the Dublin CHP, hold this annual tournament in Sam's memory and generously donated \$20,000 to the 11-99 Foundation. A special thank you to Sam's wife, Heather and their close friend and Tournament Director, Hayley Alverson.

L to R: Title Sponsor, Bob Wilson, CHP Sgt. Shannon McGrane, Chris Mullins and Tom Costello make a great golf team at the Northern Division Golf Tournament.

The Redding CHP office celebrated their 15th Annual Northern Division Golf Tournament, presented by Bob and Patti Wilson of Hemsted's Moving and Storage at The Golf Club Tierra Oaks.

This tournament is made possible by the work of Redding CHP officers Ron Kritzer and Justin Haynes. Special thanks to the Redding CHP Squad Club for their donation of over \$22,000.

L to R: Brad Houle, President of CAHP Credit Union (Title Sponsor), Sgt. Steve Toth and Erik Estrada at the San Diego CHP Golf Tournament.

2016 EVENT

25th ANNUAL NORTHERN CALIFORNIA GOLF CLASSIC

The Northern California Golf Classic celebrated its 25th Anniversary tournament at Green Hills Country Club in Millbrae.

Special thanks to our Title Sponsors, Nicki and Joe Parisi of *Therma Corporation, Inc.* for their tremendous support of this event since 2007.

We extend our gratitude to our event committee, Cpt. Ceto Ortiz and the San

Jose CHP office for their continued volunteer and committee support.

After a day on the course, guests enjoyed an auction, dinner and an incredibly moving speech from our guest speaker, Ashley Olazar, an 11-99 scholarship recipient who honored her late father, CHP Officer Hugo Olazar.

L to R: First Place Women's Foursome Juana Carter, Barbara Dueder, Linda Landside, and Carol Peske.

25th ANNUAL McCALL MOTORWORKS REVIVAL

In August, the McCall Motorworks Revival celebrated its 25th anniversary at the Monterey Jet Center. The 11-99 Foundation's participation in this annual tradition is made possible by the generosity of 11-99 board member, Gordon McCall and his wife Molly, who not only provide the Foundation with a prime location at the event, but also promote the Foundation as the beneficiary of this event.

Thanks to Gordon and Molly and their charitable network of friends, we held a drawing for a Baume & Mercier watch, Amalgam Collection

model car, Bondurant Racing School experience and Foxy Couture gifts.

The 11-99 Foundation lounge featured Gordon and Molly's gorgeous, turquoise V.W. Transporter which displayed the pair of custom 11-99 edition *Vintage Electric™* bikes. The pair of bikes raised \$50,000 for the 11-99 Foundation.

At right: Gordon and Molly McCall toast to their 25th Anniversary of the McCall Motorworks Revival.

BIGHORN FUNDRAISER AT THE VAULT

Over 100 guests from Palm Desert's BIGHORN community attended a special 11-99 Foundation fundraiser at BIGHORN's private club, *The Vault*. Its chairman, R.D. Hubbard, and member, Sean McGrath—both also 11-99 Foundation members—graciously hosted the evening.

CHP 11-99 Foundation CEO, Steve Harrington, welcomed guests and thanked them for their support. Indio CHP Captain, Laura Quattlebaum, shared how the 11-99 Foundation's support to her command was particularly felt when they lost two officers in the line of duty a few years prior.

The generosity and kindness of the BIGHORN members in response to learning about the 11-99 Foundation's mission was overwhelming. They opened their hearts and gave generously, making this one of the highest net income events in the 11-99 Foundation's 35-year history, raising \$270,000!

We thank Mr. Hubbard and Mr. McGrath for their monumental support, and count ourselves most fortunate to have such wonderful ambassadors in our circle.

L to R: Steve Harrington receives check from Sean McGrath, R.D. Hubbard and Joan Hubbard, along with CHP Captain Laura Quattlebaum.

TRAPSHOOTING TOURNAMENT

Our trapshooting tournament fundraiser was held at *Oaktree Gun Club* in Newhall. After a fun and competitive day of shooting, guests gathered in the clubhouse for awards, lunch and an exciting auction.

A big thank you to our Title Sponsor, 11-99 Chairman Dan Genter of *RNC Genter*, Award Sponsor, *CNC Motors*, and to our participants, who helped to make this a fun and memorable event!

One of the teams from the Trapshooting Tournament – L to R: Greg Augusta, Bill Klepper, Dan Genter, Andrew Robb, and Brian Elliott.

HIGHLIGHTS

16th ANNUAL WINNER'S CHOICE DRAWING & ELECTRIC BIKE DRAWING

L to R: CHP 11-99 board member, Larry Carter, 11-99 Northern California Events Manager, Laura Garratt, and CHP Captain, Ceto Ortiz calling the Durkheimers to let them know they were the lucky winners of the Mustang Shelby GT350®.

Congratulations to our Annual Winner's Choice Drawing grand prize winners, Karl and Jeani Durkheimer from Milwaukie, Oregon who won the 2017 Ford Mustang Shelby GT350®! They joined as 11-99 members at the McCall Motorworks and purchased their lucky ticket at the event that night.

Special thanks to Andrew Davidge of *Vintage Electric™* for donating a pair of custom 11-99 limited edition electric bikes. Karen Rose held the winning ticket and she chose to accept the cash prize. This allowed the Foundation to auction off the Tracker bike at *The Quail*, and the lucky winner was Barbara Liebeck.

Silent auction winner, Barbara Liebeck at *The Quail* celebrates her win with a toast!

34th ANNUAL BOB WEINBERG GOLF TOURNAMENT

L to R: Rebecca Centner, John Schroeder, Dr. William Previte, Sara Previte and Judy Levine at the Bob Weinberg Golf Tournament. Dr. and Mrs. Previte were Title Sponsors of the event.

We're grateful to Ralph and Kristina for dedicating their time to this event and also for referring countless members to the Foundation.

A special thanks to former San Jose CHP Cpt. Les Bishop who was promoted to the Golden Gate Division office. Cpt. Bishop's commitment to the Foundation, along with his incredible tireless staff of volunteers from San Jose CHP makes this event possible each year along with our annual golf tournament. We are grateful to the San Jose CHP for their partnership and dedication.

SAN LUIS OBISPO CULTIVATION RECEPTION

Gold Level Members, Assemblyman Katcho Achadjian and Retired CHP Chief Rich Henderson, co-chaired a cultivation reception in San Luis Obispo.

Guests enjoyed learning more about the CHP 11-99 Foundation's mission and their various programs.

CHP Coastal Division Chief, Reggie Chappelle, provided a briefing on the CHP, followed by a productive Q & A session.

We thank Katcho and Rich, as well as our

other generous members throughout the State who continue to open up their homes and venues to us, inviting their network of colleagues and friends to exclusive 11-99 receptions. These cultivation events help us educate guests about the Foundation's mission, bring in new members, and provide a forum for the community to learn about the CHP.

If you would like to host an event, please contact the 11-99 Foundation office.

PORCUPINE CREEK GOLF TOURNAMENT

Golfers met at *BMW of Palm Springs* for a delicious breakfast, then headed over to the lovely and prestigious *Porcupine Creek*, a private golf course on the estate owned by Oracle CEO and philanthropist, Larry Ellison.

Just 40 lucky individuals had the one-of-a-kind opportunity to experience golfing on this exquisite course. It was a memorable day for all, and the tournament raised \$112,000 from our wonderful sponsors and participants!

A special thank you to Title Sponsor, *BMW of Palm Springs/IndiGO Auto Group*. Also to

Linda & Bob Teal (breakfast sponsors), Kay Ruttman (on-course lunch sponsor), and Carol Randle (golf sponsor).

We are especially grateful to the *Porcupine Creek* staff for their outstanding attention to detail that made the day extra special! We owe many thanks to Indio CHP Captain Laura Quattlebaum and Sergeant Danny Hesser—they were the driving force behind making the event possible, securing the venue and ultimately carrying its success.

L to R: 11-99 CEO, Steve Harrington, with Johnny Cope, James McGrath, Sean McGrath, Gary Truitt (Tournament winners), CHP Captain Laura Quattlebaum, and Todd Blue, President and Owner of IndiGO Auto Group, our Title Sponsor.
