

CHP 11-99 FOUNDATION

AN ORGANIZATION DEVOTED TO THE WELFARE OF CALIFORNIA
HIGHWAY PATROL EMPLOYEES AND THEIR FAMILIES

2017 Annual Report

"If necessary, lay down my life..."

Earhart Photography

Officer Lucas Chellew

End of Watch: February 22, 2017

Officer Andrew Camilleri

End of Watch: December 24, 2017

Was that the last time I'll see him?

The day starts like all of the other days. It moves quickly from the minute the alarm goes off – we tap his side of the bed to make sure he's there. He is.

You trip over his big black boots and curse him under your breath for leaving them out again.

When he pulls from the driveway you go through the secret hand motions that are part 'I love you' and part blown kisses. Sometimes the thought creeps in...was that it?
Was that the last time I'll see him?

But you push the thought back down, because if you let it live on the surface, it would control your every action today. Not today, we convince ourselves.

When the phone buzzes or dings, we grab for it immediately. Who was it? Where?

One of their own is down today because of his badge. That badge got really heavy on their chests today.

As the officers stand in formation at his graveside... the tears run down their faces like something foreign that doesn't make that trip often.

And we go back to our homes. And our jobs. And our kids. This time, we're not so quick to curse him under our breath about his boots.

We know that another wife – one of us who woke up in the same world we did that fateful day – doesn't have boots to trip over. Never take those boots for granted."

—Christina Chellew
Widow of Officer Chellew

The Chief

BY MORGAN P. YATES

Exhibiting a flair for being in the public eye, California Highway Patrol Chief E. Raymond Cato snaps off a salute in this November 11, 1938, image of him in front of Los Angeles City Hall. It's a fitting reaction to the camera as Cato prepares to mount the reviewing stand for the city's Armistice Day parade, which marked the 20th anniversary of the end of World War I.

Parade organizers expected 15,000 parade participants but the *Los Angeles Times* estimated that 100,000 attended the event, which the newspaper described as "more poignant than joyous." Months earlier, Congress had passed an act making November 11 a legal holiday to be known officially as "Armistice Day" to honor World War I veterans. In 1954, Congress amended the act to honor the patriotism and service of all veterans by changing the designation to "Veterans Day."

Cato was no stranger to the City of Angels. The lawman began his career in 1909 with the Los Angeles Police Department, rising to head of the homicide division. In 1931, Governor James Rolph selected Cato to replace the CHP's first head, Eugene Biscailuz, another Angelino, who returned to the L.A. County Sheriff's Department where Biscailuz held the top spot for 26 years. Cato retired from the CHP in 1954.

The 1938 Buick Century Convertible Sedan seems suitably ostentatious for the head of the CHP, but the agency used the hardtop sedan version of the Buick for patrol duties. This was long before vehicle manufacturers created specialized "police package" cars for law enforcement. But that didn't mean it was slow. In keeping with its name, the Century's top speed was more than 100 mph.

This article was adapted from OffRamp, a column in the October 2016 issue of Westways, the Auto Club's member magazine. OffRamp showcases images from the Club's corporate archives.

COMMISSIONER'S MESSAGE

W. A. Stanley
Commissioner
California Highway Patrol
P. O. Box 942898
Sacramento, CA 94298-0001

Greetings,

Each day, members of the California Highway Patrol prepare to serve and protect the people of this great state. To carry out this important mission, we depend on our dedicated employees. While the faces of the CHP have changed over the 88 years since its inception, the commitment to providing Safety, Service, and Security to the people of California has not wavered. Our employees understand the extraordinary danger they may face each day, but have sworn an oath to make the ultimate sacrifice rather than swerve from the path of duty.

For more than 35 years, the Department has been fortunate to have the assistance and support of the CHP 11-99 Foundation in times of great need. Their generosity not only assists grieving family members, but is also bestowed upon aspiring young men and women while achieving their educational goals. The members of the CHP 11-99 Foundation selflessly provide this assistance solely to alleviate any unforeseen challenges our CHP family may encounter.

In 2017, employees, family members, and friends of this Department endured tragedy and heartbreak with the loss of two of our officers. Without hesitation, the CHP 11-99 Foundation showed remarkable compassion to the families of both officers. I take comfort in knowing this assistance is immediately available to families who are experiencing such extreme pain and anguish.

I am proud of the relationship between the CHP 11-99 Foundation and the CHP. This relationship has proven to be invaluable in providing support during times of great need to the men and women of this Department. I want to personally thank the CHP 11-99 Foundation for their thoughtfulness and continued dedication to the well-being of the men and women of the California Highway Patrol.

Sincerely,

W. A. Stanley
Commissioner

Safety, Service and Security

Warren Stanley
CHP Commissioner

WARREN STANLEY

Upon the retirement of CHP Commissioner Joe Farrow in October, Deputy Commissioner Warren Stanley was designated Acting Commissioner. In February 2018, he was formally appointed Commissioner of the California Highway Patrol by Governor Edmund G. Brown, Jr.

Commissioner Stanley has been with the

CHP since 1982 and is one of the distinguished few to hold every position from officer to commissioner within the CHP.

Stanley holds a Bachelor of Science degree in Criminal Justice from California State University, Los Angeles, and is a graduate of the Federal Bureau of

Investigation, National Executive Institute. He is a strong supporter of the 11-99 Foundation's mission, and has attended many of our fundraising events over the years. We wish him much success in his new role and look forward to continuing the outstanding relationship we share.

MEET OUR TEAM

MESSAGE FROM THE CEO

Stephen W. Harrington
Chief Executive Officer
11-99 Foundation

As we share our 2017 Annual Report, I wish to praise the incredible work of the California Highway Patrol. What they do daily should not be taken for granted. When CHP officers and employees head to work, it is never just another day in the office. It truly takes a special and extraordinary individual to fit the job description and perform it bravely and well. What they do requires dedication, commitment and courage. We are grateful for their unwavering service, and our commitment is to them.

We are very thankful to our members and donors for providing the 11-99 Foundation with the resources to keep that commitment going strong. For the past 36 years, we have been the custodians who pass along your generosity to reach and assist our brave CHP heroes.

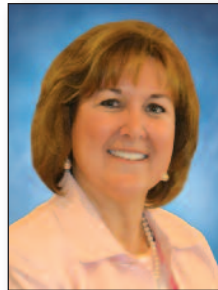

Many thanks for your generous and continued support!

Have a safe 2018.

CHP 11-99 BOARD OF DIRECTORS

MESSAGE FROM THE CHAIRMAN

Thank you for standing with the 11-99 Foundation as we fulfilled our critical mission of providing support to CHP employees and their families. Once again, your faithful giving provided us with the necessary resources to aid the CHP in a time of need. In 2017, we distributed \$2.3 million to over 1,000 CHP families through our emergency and death benefits fund and scholarship program.

Unfortunately, last year two more CHP officers made the ultimate sacrifice. We were deeply saddened by the loss of Officer Lucas Chellev and Officer Andrew Camilleri, who gave their lives in dutiful service. The 11-99 Foundation provided immediate financial assistance to their families. We will honor and remember their sacrifice, and stand beside those they left behind.

While we hope and pray that officers will never have to fulfill their oath to "if necessary, lay down my life...", we also

know that the nature of their job means we will likely be called upon again.

While we cannot foresee future tragedies, with your help, we are confident we will be able to meet the inevitable needs that arise and be first responders to the brave men and women who serve us every day.

We are fortunate and grateful for our friends and donors who believe in our mission. There are many causes out there, and we appreciate your mindful consideration in choosing to give to the 11-99 Foundation. It shows you understand the high-risk nature and cost of the CHP's safety,

security and service to all of us, and the burden that CHP families often face.

We trust in the coming year, we can lean on you, our beams of support, to keep on standing strong for our CHP family.

SPECIAL RECOGNITION

CHP 11-99 Foundation Chairman Dan Genter speaking at one of the many 11-99 fundraising events held statewide.

SPECIAL THANKS TO DAN GENTER

Dan Genter is President, CEO & Chief Investment Officer of RNC Genter Capital Management. In addition to serving as chairman of the board of the 11-99 Foundation, he has also served on the boards of the USC Marshall School of Business, The Fellowship of Christian Athletes, St. Francis Medical Center, and the UCLA Jonsson Cancer Foundation.

Mr. Genter is a regular guest on CNBC, Fox News and Bloomberg TV. He can often be heard on Bloomberg radio where he is a popular commentator, and is frequently quoted in many print publications that call on him as an industry expert.

A couple of Dan's personal interests include competitive skeet shooting and flying. He currently holds a captain's rating and flies his own jet. He also spent many years racing motorcycles and has converted this passion into organizing charity motorcycle rides to raise funds for several of the causes he supports. He is very proud of his son, Justin, who is an officer in the U.S. Marine Corps.

Dan has provided tremendous vision and leadership for the past four years in his capacity as chairman, where his passion for supporting the CHP is evident. We are very grateful for his dedication, generosity, and friendship.

COMMISSIONER JOE FARROW RETIRES

Commissioner Joe Farrow retired from the California Highway Patrol after serving in that position for nine years. He began his CHP career in 1979 and promoted up through the ranks. He has served California and its citizens loyally and proudly for over 37 years.

One of Commissioner Farrow's greatest achievements during his tenure was being recognized by the International Association of Chiefs of Police as a recipient of the J. Stannard Baker Award. He was honored for his extraordinary initiative in developing, implementing, and improving traffic safety programs and technologies and for promoting traffic safety issues.

Joe is also largely credited for attaining the CHP's distinction of being the largest organization in the country to be fully accredited by the

Commission on Accreditation for Law Enforcement Agencies.

Commissioner Farrow has supported the CHP 11-99 Foundation throughout his career, but even more so as Commissioner. On several occasions Joe has mentioned to 11-99 board members that he has always appreciated the generosity of the CHP 11-99 Foundation members and tremendous support that they provide to the men and women of the California Highway Patrol.

Commissioner Farrow will be missed and fondly remembered for his support and friendship. We wish him all the best in his new career as the Chief for the University of California Davis Police Department.

L to R: Retired Deputy Commissioner Manny Padilla, Retired Commissioner Joe Farrow, CHP 11-99 Board Chairman Dan Genter and CHP 11-99 CEO Steve Harrington at Commissioner Joe Farrow's retirement dinner.

WELCOME GORDON GRAHAM

The 11-99 Foundation's dedicated board of directors continues to add wonderful members to the team. In 2017, we were pleased to add our newest board member, Gordon Graham. Mr. Graham was proudly a uniformed member of the CHP for 33 years until retiring in 2006 as captain. He was assigned to numerous areas in Northern and Southern California throughout his career with the CHP, and spent many of those

years as a motor officer in the Los Angeles area. During his time as a motor officer, he saw deficiencies in how officers were being trained, and started developing training concepts and methods that later revolutionized law enforcement training in California. Gordon was also awarded the California Governor's Award for Excellence in law enforcement training.

He has also had a law practice since 1982, and is the founder of Lexipol—a company designed to standardize policy and training in public safety agencies around the world. Over the last 40 years, with his multiple areas of expertise, Mr. Graham has become a leading professional speaker and teacher to public safety personnel.

THE ULTIMATE SACRIFICE

Our Fallen Heroes

Officer Chellew with his family—wife Christina, son Cameron and daughter Hadley.

Officer Lucas Chellew

On the evening of February 22, 2017, Officer Lucas Forrest Chellew was involved in a fatal motorcycle collision while pursuing a suspect through evening traffic in Sacramento. Although life-saving efforts were given, Officer Chellew lost his life a short time later at a nearby hospital.

The following morning, family members, fellow officers, co-workers and friends attended a Bell Toll Tribute ceremony at the CHP Academy. CHP Commissioner Joe Farrow remarked at the ceremony, "We are forever grateful for his loyal and dedicated service, and show gratitude to his

family for their sacrifice. Officer Chellew epitomized what a CHP officer should always be; a dedicated and selfless public servant. He will not be forgotten."

Officer Chellew, age 31, was an eight-year veteran of the California Highway Patrol. He is survived by his wife Christina, two young children, Cameron and Hadley, mother, father, Charles (CHP captain, retired), and sister, Hanna (CHP officer). Prior to joining the CHP, Officer Chellew proudly served in the United States Army.

Officer Andrew Camilleri

On December 24, 2017, Hayward CHP Area Officer Andrew Camilleri and his partner were stopped on a southbound I-880 on-ramp. A driver drifted off the road and struck the right rear of the patrol vehicle. Both officers suffered injuries in the collision and were transported to the hospital where tragically, Officer Camilleri was pronounced deceased.

Officer Camilleri, age 33, had graduated from the CHP Academy just eight months earlier. Law enforcement officers from as far away as Colorado and Texas stood alongside hundreds of CHP officers at the funeral to honor him. Camilleri's partner, Officer Jonathan Velasquez, spoke from his heart at

the service, "Andrew, I know you can hear me—it was an honor being your partner. Rest in peace brother."

Officer Camilleri is survived by his wife Rosanna, three children, Elizabeth, Andrew Jr. and Ryder, parents, brother and sister.

Officer Camilleri with his family—son Andrew Jr., daughter Elizabeth, wife Rosanna, and son Ryder.

"On Christmas Eve heaven gained another angel. No words to describe my pain. My dad was the most loving man I have ever known. He died a brave, strong, caring and loving man. But now I know that he will never again suffer any sadness or any pain in heaven. My heart is now broken in a million pieces but each day it will get better knowing that he is in a better place."

— Elizabeth Camilleri, 12-year-old daughter of Officer Camilleri

11-99 FOUNDATION BY THE NUMBERS

The CHP 11-99 Foundation believes it is very important for our donors to know how their generous gifts are used to support CHP families.

BREAKDOWN OF 2017 FUNDS RAISED

YOUR 2017 DOLLARS AT WORK

CAPITAL CAMPAIGN

Donors May Support the Fund in the Following Ways:

- ★ Multi-Year Commitment
Example: \$10,000 over four years at \$2,500 per year
- ★ Gift of Life Insurance Policy
- ★ Real Estate
- ★ Personal Property
- ★ Appreciated Stock

The 11-99 Foundation is grateful to our donors and members for their tremendous support. We are pleased to provide you with an update on our goal to raise an additional \$10 million for the Fallen Hero fund and scholarship program.

We continue to reach out to our 11-99 members asking for their support, and they are answering our call. To date we have secured a total of \$7.5 million in cash and pledges.

Support at any level is welcome, and you may specify which fund you would like to support. Every gift matters and counts. If you are interested in helping us achieve our goal to assist CHP families through our Capital Campaign, or if you have any questions, please contact our office at **714.529.1199**.

TESTIMONIALS

In October 1951 I sailed towards the Atlantic to the United States at the age of 20. I looked towards the West with joy and hope of new beginnings in America. Two years later I arrived in Los Angeles, found a minimum wage job and learned about business. I eventually opened my own business, raised my family, bought property and ultimately retired.

Today, at the age of 87, I have decided to give back in the form of donations to charitable organizations that help veterans and law enforcement agencies who sacrifice to keep us safe. It is my honor to donate to the CHP 11-99 Foundation.

May God bless you all and guide you towards a better future.

— **Vasile Teris**
CHP 11-99 Donor

My wife and I have been enthusiastic members of the 11-99 Foundation for the past several years.

Last Friday, we were driving on Highway 80 from Truckee to Reno, when three deer jumped into the fast lane in front of our car. It was a harrowing experience, with a great deal of damage done to our vehicle, but we were so fortunate to walk away without either of us sustaining any serious physical injury.

As a result of the accident, the Highway was closed by the CHP. I cannot say enough about the professionalism of the two CHP officers on the scene. These two officers deserve high commendation for not only what they did relative to our accident, but for the work they do every day. They were incredible and we are all fortunate to have them as members of the CHP.

We are so proud to be members of such a great organization.

— **Meyer Malka**
CHP 11-99 Member

Recently the 11-99 Foundation provided assistance to one of my officers. This is one of my senior officers and he is extremely respected for his lifetime of commitment and dedication to the communities we serve. CHP officers are expected to be there for everyone else's worst day of their life and be a pillar of strength for them to lean on. When it is your turn to rely on others for support and assistance, we find it very hard to ask. Your organization and its benevolence has provided hope where there was none for this Officer and his family.

I cannot overstate what your foundation's contribution has meant to the CHP family.

— **Jim Nellis, Captain**
San Diego Area CHP

Recently, one of my employees had some very difficult and unexpected "life" challenges. As the 11-99 Foundation has done so many times before, they generously assisted the employee with much needed help.

I had the prestigious honor of presenting the check to my employee, which was accepted with tears of joy and immense gratitude. The employee could not believe what had just occurred and was extremely thankful.

I want to personally thank the 11-99 Foundation for assisting members of the CHP by providing much needed support during trying times.

Thank you so very much.

— **N. G. Norton, Chief**
Central Division CHP

CHP 11-99 SCHOLARSHIP PROGRAM

John Schroeder
Scholarship Committee Chairman

MESSAGE FROM SCHOLARSHIP COMMITTEE CHAIRMAN

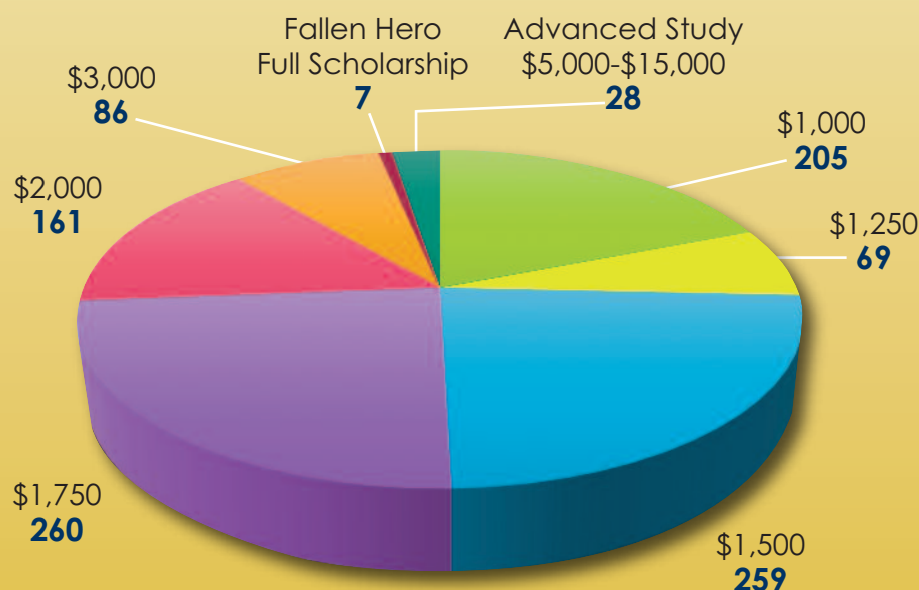

It is a pleasure for me to serve as scholarship committee chairman for the 11-99 Foundation. I firmly believe in the importance of providing scholarships and educational assistance to CHP family members. Over the past 30+ years, we have awarded over \$26 million total in scholarships to deserving applicants. In 2017, we awarded \$1.9 million to over 1,000 students, with awards ranging from \$1,000 to \$15,000. Of those, we provided full scholarships to seven recipients whose parent was killed in the line of duty, and 28 recipients received a Sullivan Advanced Study scholarship.

I'd like to especially thank and express our appreciation to the Automobile Club of Southern California and Suzanne and Godfrey Sullivan, for their continued partnership and extreme generosity. We are so grateful to have such wonderful 11-99 family members behind us. As we look into the future and coming year ahead, we know we can count on our supporters to be there, making it possible for us to keep on awarding scholarships to increasing numbers of recipients who are in need.

Our scholarship recipients are forever grateful to you for helping them achieve educational success.

\$1.9 MILLION AWARDED IN 2017

SCHOLARSHIP AWARDS BY AMOUNT

EXPRESSIONS OF GRATITUDE FROM 2017 SCHOLARSHIP RECIPIENTS

This is my fourth year at Sac State and I am approaching my last few semesters as a student. I've been able to avoid taking out student loans, which has not only relieved a large burden of debt from myself, but also my family. I am immensely grateful for your kind and generous support."

— Patrick Nava,
Fallen Hero scholarship recipient

The CHP 11-99 Foundation's generosity has greatly decreased some of my financial burdens that college often brings upon students and their families. It has allowed me to spend less time worrying about how to pay for school and more time focusing on succeeding and doing well in my studies.

Thank you for assisting me and being a part of my collegiate journey."

— Taylor Griffin-Smith,
scholarship recipient

SCHOLARSHIP CEREMONIES

Thank you for everything the 11-99 Foundation does for CHP families and for all of the hard work that goes into being such an amazing organization. I am very grateful to have been selected to receive a scholarship. Thank you for your support in helping me achieve my goals and dreams."

— **Nate England**,
scholarship recipient

“Thank you for helping students like me achieve their goals and ambitions. Your scholarship was a bit like a lifeline to me. In two years, I will graduate with a Bachelor of Science in Nursing and will remember all those who helped me along the way.”

— **Briana Collier,**
Advanced Study scholarship recipient

COASTAL DIVISION • 65 RECIPIENTS

“I would like to express my gratitude for being chosen as a recipient of your scholarship. I will be able to continue pursuing my degree at Embry-Riddle Aeronautical University and continue to work towards my dream of being a fighter pilot. The work your foundation does for those who make up the thin blue line and their families is overwhelmingly noble and generous.”

— **Taylor Brandon Vessels,**
scholarship recipient

“Thank you so much for your extreme generosity. You should know the relief and deep gratitude I felt upon receiving the news that I had earned an Advanced Study scholarship. Because of your support, I no longer have to take out a student loan and can study more freely.”

— **Cherrish Hardy,**
Advanced Study scholarship recipient

ACTS OF COURAGE

HEROES AT WORK

Last June, CHP and local police worked together during a pursuit in the Crescent City area in Del Norte County. Beginning as a vehicle pursuit, it quickly escalated to a pursuit on foot. An altercation ensued as an armed subject attempted to evade capture. Shots were fired, and Del Norte County Sheriff's Deputy Joe Aguirre sustained a gunshot wound to his shoulder, leaving him vulnerable and unable to continue the pursuit.

Nearby CHP Officers Bryan Cooke and Tyler Krueger, who were also on the scene, heard the gunfire and immediately ran in to investigate and assist. By engaging the subject in return fire, they were able to quickly put an end to the pursuit and apprehend the subject. The heroic actions of CHP Officers Cooke and Krueger saved Deputy Aguirre from further danger and injury. Deputy Aguirre was taken to the hospital, where he received prompt medical attention and made a full recovery, thanks to our heroes working together.

CHP Officers Bryan Cooke and Tyler Krueger (far left & center) worked together to save Deputy Joe Aguirre (far right) after he was shot in the shoulder during the pursuit of an armed subject last June in Crescent City.

CHP OFFICERS RESCUE FAMILY FROM NAPA FIRE

In October, a CHP airplane discovered a rapidly growing wildfire just northeast of Napa. A CHP helicopter staffed by Pilot Officer Pete Gavitt and Flight Officer/Paramedic Whitney Lowe responded to the area to assist and alert people in the path of the wildfire.

The crew spotted the Tamayo family who seemed to be trapped directly in the path of the rapidly spreading flames. They landed and began to usher the family of five onto the helicopter. Unfortunately, there was only enough room for four. Mr. Tamayo, the father, elected to stay back, with the understanding that the officers would come back to rescue him if they could. Fortunately, once the rest of the Tamayo family was brought to safety, the helicopter returned and rescued Mr. Tamayo.

In the following six hours, while being exposed to incredible danger, Officers Gavitt and Lowe, along with another CHP helicopter crew, bravely continued their rescue operations, with only brief lapses in order to refuel the aircraft.

That evening, in total, these heroes rescued 41 people from the fire and transported them to safety. Tragically, over 51,000 acres burned, 481 structures were destroyed, and over 40 fatalities were reported due to this massive wildfire.

The Tamayo family with rescuers, CHP Officers Lowe (far left) and Gavitt (far right), who flew them to safety during the Napa Valley wildfire last October.

CHP SQUAD CLUB EVENTS

Many CHP area offices have formed and organized squad clubs for the main purpose of raising money for their internal programs, and raising funds for non-profits in their communities. Common events they hold include golf tournaments, pheasant hunts, and other gala fundraisers. Currently, about 30 squad clubs donate proceeds to the 11-99 Foundation.

We are thrilled and thankful for their generous support and contributions.

WESTMINSTER CHP GOLF TOURNAMENT

In July, the first annual Westminster CHP 670 Squad Club Golf Tournament was held at Old Ranch Country Club in Seal Beach. The primary organizers of the tournament were squad club president, Officer Doug Kondo and vice president, Officer Todd Steaffens. We thank them and their squad club for their donation of \$5,000 raised from the event!

SANTA FE SPRINGS CHP GOLF TOURNAMENT

The Santa Fe Springs CHP 550 Squad Club held their annual golf tournament at Hacienda Golf Club in La Habra Heights in September. Officers George Perez and Al Perez organize the tournament each year in memory of their fallen CHP officers from the Santa Fe Springs area and to raise money for the 11-99 Foundation, as well as some of their other programs. They donated \$10,000 to the 11-99 Foundation from last year's proceeds—thank you, 550 Squad Club!

NORTHERN DIVISION REDDING CHP GOLF TOURNAMENT

The Redding CHP Squad Club held their 16th Annual Golf Tournament in June at the scenic Tierra Oaks Golf Club in Redding. The event was generously presented by title sponsors, Bob and Patti Wilson of Hemsted's Moving and Storage, with large support from Redding Subaru and Master-Precision Machinery. This tournament is primarily run by Redding CHP Officer Justin Haynes and recently retired Redding CHP Officer Ron Kritzer. We appreciate and thank the Redding CHP Squad Club for their generous donation of over \$20,000 to the 11-99 Foundation from their proceeds!

INDIO CHP GOLF TOURNAMENT

The Indio CHP Desert Patrolmen's Squad Club Golf Tournament was held at the beautiful Classic Club Golf Course in Palm Desert last April. It was organized primarily by squad club president at the time, Officer Franco Castro. They raised \$2,500 for the 11-99 Foundation—we are very grateful for their kind support!

PROVIDING FOR YOU AND YOUR FAMILY

Attention All CHP Employees...

When you pledge to the Our Promise Giving Campaign, please consider writing in the name of the **CHP 11-99 Foundation** as a full or partial recipient of your contribution.

Help Us to Help You!

COMMUNITY SUPPORT

CHP EXPLORER PROGRAM

The mission of the CHP Explorer Program is to develop young people into responsible and productive citizens through discipline and a commitment to serving their community.

Explorers assist the CHP both in-office and in the field, and they are taught important values such as respect, fairness, and ethical practices. Explorers receive medical, clerical, organizational, and physical fitness training. They attend community service events, staff DUI checkpoints, participate in ride-alongs in the field, and compete in Explorer competitions.

Whenever Explorers assist at 11-99 Foundation events, they are always very professional, cordial and helpful. We are grateful for the support of these future leaders.

CHP Commissioner Warren Stanley proudly poses with CHP Explorers at a community event.

CHP Senior Volunteers provided assistance at the Foundation's movie screening at Sony Studios.

The California Highway Patrol Senior Volunteer Program exists for individuals 55 years or older who wish to give back to their community by assisting the CHP and providing public service to California citizens.

The program seeks to instill an under-

CHP SENIOR VOLUNTEER PROGRAM

standing and appreciation of the justice system, human relations, and ethics in the field of law enforcement.

There are approximately 90 senior volunteer commands statewide, and over 900 total senior volunteers.

To become a senior volunteer, you must be able to work a minimum of four hours per week, pass a background check, have a good driving record, and complete the official CHP Senior Volunteer Training Program. Senior volunteers have been extremely valuable to the 11-99 Foundation by providing assistance at many of our events.

Margaret Kustka who is 93 years "young" has been a Senior Volunteer at the Capistrano CHP office.

5 - STAR SALUTE

The CHP 11-99 Foundation wishes to salute the following CHP Squad Clubs that contributed in 2017:

Willows Squad Club

WAYS TO GIVE

PLANNING YOUR LEGACY

The 11-99 Foundation Legacy Society

By naming the CHP 11-99 Foundation as a beneficiary of your long-term financial and estate planning through a bequest, will, insurance policy, retirement plan or trust, you create a living legacy of generosity. Your support can provide the 11-99 Foundation with much-needed funding while offering you the opportunity to control your own legacy, rather than letting the government choose it for you through estate taxes.

We invite you to join the 11-99 Foundation Legacy Society, which honors individuals who have named the 11-99 Foundation as a beneficiary. We recommend consulting your attorney or tax advisor as you plan. For more information about the Legacy Society, please contact us at **714.529.1199**.

As always, thank you for assisting our CHP families!

MONTHLY SUPPORT

***You too can make a difference...**
with a small monthly donation.*

\$11.99

Per Month

By pledging \$11.99 per month to the CHP 11-99 Foundation, you can continually help us support our mission of caring for CHP families. Your monthly contribution will go towards:

- Scholarships
- Medical & Other Emergencies
- Death Benefits

Look for the \$11.99 pledge form inside this annual report or sign up online at chp11-99.org/give-1199.

26th ANNUAL NORTHERN CALIFORNIA GOLF CLASSIC

L to R: Napa CHP Captain John Blencowe, Redwood City CHP Captain Jim Allen, 11-99 board member Larry Carter, Golden Gate Division Commander Les Bishop, and Juana Carter.

The 2017 Northern California Golf Classic was held in October at Boulder Ridge Golf Club in San Jose. We give special thanks to our Title Sponsors, 11-99 Gold Level members, Nicki and Joe Parisi, of Therma Corporation. Following the golf tournament, CHP Golden Gate Division area Chief Ernie Sanchez and Officer Bruce Josslin of the CHP Contra Costa area served as guest speakers for the banquet.

Officer Josslin had many in tears, sharing his story of how the 11-99 Foundation assisted his family in obtaining an ADA-accessible van for his daughter. To conclude the evening, we held our live auction and raffle, as well as the Annual Winner's Choice Car/Cash Drawing. Two attendees present in the room each won one of the \$3,500 cash prizes, making things especially exciting!

McCALL MOTORWORKS REVIVAL

In August, the 11-99 Foundation was fortunate to have the opportunity to be an exhibitor at the Annual McCall Motorworks Revival, held at the Monterey Jet Center. 11-99 board member, Gordon McCall and his wife, Molly, are the talented producers behind this gorgeous, prestigious event. The 11-99 exhibit area was a relaxing place for guests to mingle, meet 11-99 Foundation staff members and learn more about the organization.

We look forward to the 2018 McCall Motorworks Revival, and if you plan to attend, please stop by and say 'hello'. A special thanks to Gordon and Molly for their continued support.

Captain Kelly Cardoza (red jacket) with CHP officers from the Monterey CHP office at the McCall Motorworks Revival last August.

THE QUAIL, A MOTORSPORTS GATHERING

During car week in August, we exhibited at The Quail event at The Quail Lodge in beautiful Carmel Valley. The 11-99 Foundation is the sole charity exhibiting at the event annually, thanks to the generosity of 11-99 board member, Gordon McCall.

As an unexpected bonus this time, we were able to hold a special silent auction for a custom Vintage Electric™ Bike, raising an additional \$6,500 with the winning bid! The bike had been graciously donated back to us by Carla Martinez & Andrew Peterson from Paso Robles, the winners of our Annual Vintage Electric™ Bike Drawing.

Thank you to Cypress Coast Ford Lincoln of Seaside for coordinating a 2018 Lincoln Continental to be displayed as we promoted our Winner's Choice Drawing. Special thanks to the Detail Mafia, a collection of world-class detailers who work car week events. Every year, they pool their tips earned at the McCall Motorworks event and stop by our booth at The Quail to make a donation. We greatly appreciate their generous support!

11-99 CEO Steve Harrington (center) with friends from the Detail Mafia, who pool their tips to support the 11-99 Foundation.

HIGHLIGHTS

35th ANNUAL BOB WEINBERG GOLF TOURNAMENT

Through the years, golf tournaments have come and gone, but the Bob Weinberg CHP 11-99 Foundation Golf Tournament has flourished, and celebrated its 35th anniversary in 2017. The quality of the event gets better and better each year, and it proved to be true yet again!

The 2017 tournament, presented by title sponsor, Harbor Freight Tools, was held at Los Coyotes Country Club in Buena Park, and provided the golfers with a challenging, world-class, 27-hole golf course. Smiles and laughter were aplenty as sponsors, members and guests enjoyed the day.

Back by popular demand, the talented, humorous, high-energy, country music's very own Shawn Parr emceed the evening, as he has been doing for the past 16 years. As emcee and auctioneer, Shawn shared his humor, remarkable voice and love for the 11-99 Foundation as he worked the room.

Gracing our stage that evening, the very funny and talented Las Vegas entertainer, Gordie Brown, captivated the audience with his hilarious impersonations. This was Gordie's fourth return to our stage through the years, and his fourth well-deserved standing ovation!

Thank you to our loyal and most generous sponsors, our members, guests and volunteers who always make this enduring event so very successful and enjoyable.

MOVIE SCREENING AT PARAMOUNT STUDIOS

Bruce Meyer and the CHP 11-99 Foundation Team sure know how to throw a fun party! What better location to have it than at the beautiful Paramount Pictures Studios, where the CHP 11-99 Foundation hosted a benefit movie screening.

The evening was very enjoyable, with a delicious gourmet dinner and cocktails served in the garden right outside the Paramount Theater. Classical music filled the air, as members and guests mingled while Ruben Aghiyan and Shushana Hakobyan delighted everyone with their alluring performance on violin and piano.

Immediately before the screening, 11-99 board member and event chairman, Bruce Meyer, and the very lovely and gracious Alison Sweeney (*Days of Our Lives*, *The Biggest Loser*), impressed the audience with their auctioneering talents! To add to the excitement, 11-99 Foundation member, David Pyle, matched the amount raised from the auction, resulting in an all-time high for amounts raised at any of our live auctions!

Many thanks to Jim Gianopulos, Chairman and CEO of Paramount, who made it possible for us to hold this event. And many thanks to our event sponsors, members and volunteers who gave their all in support of the men and women of the California Highway Patrol.

26th ANNUAL WINNER'S CHOICE DRAWING

Officers Amy Walker & Hank Pastor with Retired CHP Commissioner Spike Helmick (far right) present \$50,000 grand prize to winner Walter Burke.

During the Nor Cal Golf Classic guests waited in anticipation as the winning tickets were drawn from the raffle drum. To kick it off, four lucky individuals each won a \$3,500 cash prize. Two of the winners happened to be present at the event. Finally, the moment arrived to draw the grand prize ticket, and the winner was announced—Mr. Walter Burke, of Lincoln, CA, who happens to be a retired CHP assistant chief. He was telephoned from the event and was absolutely thrilled and shocked to be the winner! After thinking it over for a few weeks, he ended up choosing to take the \$50,000 cash over the car.

A special thank you to 11-99 board chairman, Dan Genter, and 11-99 board member, Larry Carter, for generously underwriting the cost of the grand prize. Thank you also to everyone who purchased tickets for the 2017 Winner's Choice Drawing, which raised a total of \$213,000 for the 11-99 Foundation!

2017 EVENT HIGHLIGHTS CONTINUED

7th ANNUAL CHP'pino FEED

Over 450 attendees gathered at Club Auto Sport in San Jose in March for the 7th Annual CHP'pino Feed, presented by Borelli Investment Company and sponsored by Garage Unlimited of Monterey. Our hosts, Ralph Borelli and his wife Norma Navarro, along with Ralph's daughter, Kristina Borelli Epidendio, work with our Northern CA staff throughout the year to plan and produce this wonderful event. We believe it is a unique and fun opportunity that brings the movers and shakers of Silicon Valley together, all to support the 11-99 Foundation.

Our featured guest speakers of the evening were Golden Gate Division Chief Paul Fontana, who has since retired, and 11-99 Fallen Hero scholarship recipient, Patrick Nava.

Special thanks to our incredible event sponsors: Vintage Wine Merchants at Santana Row, the Fish Market San Jose, Zanotto's Family Markets, El Jefe Tequila, Bottomley's Distributing Co., and Mama Mia's in Campbell. Thanks to a sell-out crowd and live auction bidding wars, we raised nearly \$90,000, almost doubling our prior year's fundraising goal!

GEYSER RANCH RECEPTION

In April, over 60 guests gathered at 11-99 members Genevieve and Lew Geyser's beautiful home and ranch in Solvang. As fellow 11-99 members and friends arrived, harp music filled the air and cocktails were served under the sunset.

At the dinner reception, guests enjoyed delicious cuisine and socialized, then heard from special speakers and viewed the 11-99 video. It was a great way of bringing together people from the community, CHP and 11-99 supporters.

As a result of the event and generous donations from attendees, a total of \$60,000 was raised that evening! Thank you to everyone who attended and especially our gracious hosts, Genevieve and Lew, for opening their home and underwriting the event.

Al Wolochuk (3rd from right) and friends gather at the Bagna-Cauda Feed.

19th ANNUAL GRANZELLA'S BAGNA-CAUDA FEED

The Bagna-Cauda Feed is a delightful, delicious fundraising event held each year at Italian family restaurant, Granzella's, in Williams, CA. This annual event was started by the family's patriarch, the late Jim Granzella, and has been carried on by his grandchildren, Stacie McCarty and Dino McCarty, as well as their dad, Bill McCarty, with the hard-working Granzella's employees and volunteers faithfully assisting alongside them.

In February, 800 guests came to Granzella's "big tent" to enjoy some delectable Italian cuisine and support the CHP 11-99 Foundation through the event's raffle and silent auction. Bagna-Cauda, literally translated "hot bath", is a dish that features platters of meats and veggies cooked family-style to dip into a bath of hot garlic oil sauce. The event's claim to fame is, if you don't smell like garlic for days after, you didn't eat enough Bagna-Cauda!

Special thanks to the Granzella and McCarty families, who continue the legacy of generously supporting the 11-99 Foundation. In 2017, they donated \$22,000 from the event!

PROFILES IN GENEROSITY

ROBERT TEAL

As a young man in the '60s, I really wanted to join the CHP. I looked into it and went through the process, but unfortunately, my poor vision disqualified me, as I couldn't pass the vision test. Back then, contacts weren't invented yet, and they did not allow officers to wear glasses. So, my life and career took a different turn for many years. It wasn't until about 25 years back that my next encounter with the CHP happened.

In 1995, I was involved in a very severe, destructive traffic accident. My car was third in a 24-car pile-up, which included five or six 18-wheeler big rigs. I got sandwiched and crushed between two of the big rigs involved. I was hit from behind, pushing my low-riding sports car right under part of the truck in front of me.

Following the incident, first responders didn't even know my car was there. Finally, a CHP officer on the scene discovered my car in the wreckage, so he approached and began to help get me out to safety. He retrieved my phone from the floor, contacted my wife, and had her escorted to the hospital to meet me. He was really helpful the whole way — very considerate, and he tried to get me as much care as quickly as possible. I had several broken bones, but I was quite fortunate to get

away with my life.

A few months later, when I had recovered enough, I tried to find something I could do to help the officer—and officers. At that time, unfortunately, there was no Google Search or internet, so I had to research on my own. I went to the San Jose CHP office, walked up to the front desk and told them I was very grateful for what the CHP officer did for me, and expressed that I wished to donate to support the CHP as a token of my gratitude.

I soon learned of the 11-99 Foundation, and immediately joined as a member. A couple of years after that, I was invited to be on the board of directors. That's what launched my involvement with the 11-99 Foundation.

Since that time, I have continued my involvement with the 11-99, the CHP and other law enforcement, including six years of being a reserve police officer and eventually retiring as a lieutenant. Now, I proudly serve as a Senior Volunteer at the Indio CHP area office."

"Bob is a leader amongst the other volunteers and sets the high standards the CHP requires for their volunteers. Bob was nominated for and won the 2017 Border Division Volunteer of the Year award."

— Captain Laura Quattlebaum
Indio CHP

STEVE FINN

My connection to and interest in the 11-99 Foundation is personal. My father was a police officer in San Francisco, and I had several relatives in law enforcement and emergency response, including my stepbrother, who died in the line of duty as a firefighter. I became a lifetime member in 2003, after hearing about the 11-99 Foundation from friends at a private car club to which I belonged. Once I became a member, I felt I was part of a family—I noticed a difference in my attitude towards CHP patrolmen on the roads. I became an advocate for the CHP and felt that as a member,

I was looking out for my family members. It's not about being pulled over and getting tickets, it's about showing my support continually for the dangerous and difficult job these folks have. I want to make a statement that I love law enforcement, and by being an advocate, I hope to defuse negative attitudes that police receive on a regular basis. I also want CHP to know that there are private individuals out there who are willing to go the extra mile and voluntarily support them and their families."

PROFILES IN GENEROSITY

JOHN MALCOLM

John M. Malcolm is the founder, chairman and CEO of Malcolm Drilling, a company started in 1962, specializing in deep foundations. Over the past 50 years, Malcolm Drilling has grown immensely, and has developed into a distinguished, leading worldwide specialty foundation contractor. Headquartered in San Francisco, Malcolm Drilling now boasts the largest equipment fleet in the world, with locations across North America, the Pacific, and South America.

Mr. Malcolm became a Gold lifetime member of the 11-99 Foundation in 2013. He offers his beliefs, "I have encountered law enforcement all over

the world through my industry travel, but I am continually impressed with the exceptional professionalism of the California Highway Patrol. I am proud to be a part of supporting them through the 11-99 Foundation.

I believe we all have an obligation to support law enforcement. They provide the most necessary service each and every day. Even though we may not see all that they do behind the scenes, the truth is, society simply would not be functional without them. I believe taking care of police and all first responders is our patriotic duty—we owe it to them for their sacrifice and commitment."

"I believe taking care of police and all first responders is our patriotic duty—we owe it to them for their sacrifice and commitment."

— John Malcolm

Founder & CEO, Malcolm Drilling

ROBERT GROSSMAN

When I started seeing 11-99 member license plate frames on the roadways, it naturally piqued my interest and curiosity about the 11-99 Foundation. So I did my research. Having been in law enforcement myself for 25 years made me especially receptive to the mission of the 11-99 Foundation. A few years ago, after a series of circumstances, I found myself in a position to give—give substantially—to a cause that I firmly and proudly support. So, I contacted the Foundation, applied and joined as a Gold lifetime member in 2015.

California Highway Patrol personnel have a very difficult job that is ever-expanding with the times. They must keep up with and implement new technologies, laws, and often interact with less-than-positive people. The incredible part is, they do this

so professionally and so well—often at high speeds! They must think on their feet, and sometimes their lives depend on it.

When I discovered that a foundation who comes to the aid of these brave individuals existed, I knew immediately that I wanted to be a part of it. CHP families and CHP employees on the job can know there is a group of people out there who are for them and wholeheartedly support and believe in them 24/7. I believe knowing that in the back of their minds is invaluable.

I also take great satisfaction in being an 11-99 member, because I know that when I attend any 11-99 function or fundraising event, there are friendly faces, who are all on the same team—it is all people who support law enforcement. It really is like a family."

Introducing the Exclusive **Platinum Level**

We are pleased to introduce a NEW level of lifetime membership! The Platinum Level is being offered exclusively to Gold Level members who have donated or intend to donate at least \$100,000 in total to the 11-99 Foundation. Membership funds continue to support all CHP employees and their families for emergencies, scholarships and the Line of Duty Death Fund.

To keep the Platinum Level exclusive, it is being offered to a very limited number of individuals. If you are interested in upgrading to Platinum or would like additional information, please contact us by email at **applications@chp11-99.org** or by phone at **714.529.1199**.

NEW LIFETIME MEMBERS IN 2017

We are sincerely grateful to each of these donors who have made a superior commitment to the CHP 11-99 Foundation by becoming lifetime members.
