Vespa Primavera 150 *or* \$5,000 Cash Prize Drawing!

This year, the 11-99 Foundation is offering you the chance to win an iconic **Vespa Primavera 150 scooter in the color of your choice, *or* a \$5,000 cash prize!**

It was the Sixties, an era in which the world was changing when the Vespa Primavera burst onto the scene and revolutionized urban mobility with its charming "two wheels and a motor" combination. Today, with fresh new lightweight lines and the addition of new technology, the Primavera remains as captivating and stylish as ever.

This mini-revolution on two wheels with an eco-friendly 150-cc engine promises total joy and freedom as you zip through city streets.

The Vespa Primavera offers a range of gorgeous hues with chrome finishes and rims in Grigio Dust grey and a light brown saddle. The winner will choose their Vespa color from our new neighbor, OC Motorcycle in Costa Mesa, along with a Shoei JO Helmet. *Tax & license paid by winner.*
