CELEBRATING 40 YEARS

This year, the CHP 11-99 Foundation celebrates 40 years of serving the CHP community through emergency and death benefit assistance for families and scholarships for their children. Since 1982, we have provided over \$45 million in assistance to CHP families, including nearly \$38 million in vocational and academic scholarships to children of CHP employees.

Please consider joining our membership or making a donation today!

22ND ANNUAL WINNER'S CHOICE DRAWING

2023 FORD® F-150® LIGHTNING™ PRO

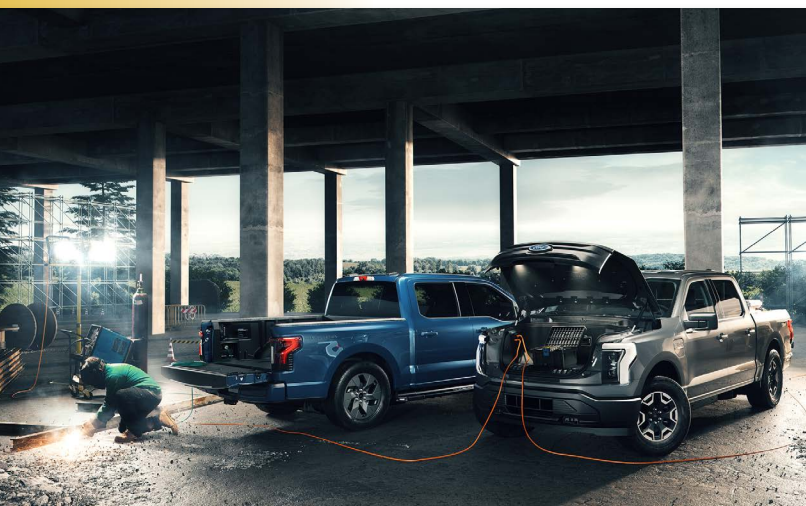

Meet the all-new, all-electric 2023 F-150 Lightning. The first-ever F-Series that's gas-free and resoundingly ready to deliver the strength and capability customers expect from a Built Ford Tough truck.

In fact, this is the smartest, most connected F-150 ever, with impressive performance to back it up. This truck offers all the advantages of electrification, while never forgetting the purpose of a pickup is to make the tough jobs easier.

The F-150 Lightning is that vehicle – an all-electric, zero emissions, highly productive and powerful Ford pickup.

The grand prize winner this year will choose between the Ford F-150 Lightning Pro (base model), or the \$50,000 cash prize!

Any additional upgrades beyond the Pro base model is the responsibility of the winner. Due to high demand, the 2022 model year is no longer available for retail order.

Best of luck and thank you for supporting our mission!

PERFORMANCE AND CAPABILITY - ELECTRIFIED

Whether you have a trailer loaded for work, or a bed loaded for the weekend camping trip, with 775 lb.-ft. of nearly instant torque the Lightning truck is ready to go.

The Lightning Pro is equipped for a full day's work. The Mega Power Frunk features four Pro Onboard 120V outlets for a total of 2.4kW of exportable power plus one USB-C outlet and one USB-A outlet. Run power tools, a laptop, or a microwave. It's mega, and it's powerful.

The F-150 Lightning with extended-range battery is the fastest-accelerating F-150 yet, jumping from 0-60 in the mid 4-second range. On a fully charged battery, this truck can power a home for up to 3 days, or up to 10 days if rationing power with Ford Intelligent Backup Power - peace of mind on and off the road.
