## GUIDING THE MISSION

# A LETTER FROM LEADERSHIP

**MARK MITCHELL**  
Chairman, Board of Directors  
CHP 11-99 Foundation

The past year was one of change and uncertainty, testing the resilience of communities across the state. Yet, in the face of challenges, the unwavering generosity of the 11-99 Foundation family shone brighter than ever. If there's one thing we have learned in our 43 years of existence, it is that our 11-99 community always rises to the occasion—just as the CHP does for us. Thanks to your dedication, we not only met but exceeded our fundraising goals, ensuring that critical assistance was available to CHP families throughout the year.

**STEPHEN HARRINGTON**  
Chief Executive Officer  
CHP 11-99 Foundation

Our commitment to education remains steadfast. In 2024, we awarded over 1,100 children of CHP employees with a record-breaking \$3.5 million in scholarship funds. Additionally, we provided over \$261,000 in direct support to CHP through emergency and death benefits, and regional support to area offices.

**Since our inception, total benefits provided to CHP families have reached nearly \$8.7 million, while total scholarships awarded now amount to almost \$44 million—bringing our combined total assistance to an astounding \$52.2 million.** For another consecutive year, we are profoundly grateful that no uniformed CHP officers were lost in the line of duty. However, we remain vigilant, ensuring that resources are always available for families in times of need.

As we publish this report in March 2025, we reflect on the devastation caused by the Southern California wildfires earlier this year. Our hearts go out to all those affected, including our members, donors, and CHP families who have faced unimaginable loss and trauma. We extend our deepest gratitude to the brave first responders who worked tirelessly to protect lives and property during this crisis. Your dedication and heroism do not go unnoticed, and we stand with you in support.

Donors, because of your generosity, CHP families will continue to receive the care and assistance they deserve. Thank you for being a part of this mission and for making a lasting difference in the lives of those who serve and protect us all.

*Gordon McCall, newly appointed  
2025-2026 Chairman of the Board of Directors*

In January 2025, we welcomed our new Board Chairman, Gordon McCall, to his position and bid farewell to Mark Mitchell as outgoing Chairman. *Mark remains an active Board member. We thank him for his insight, dedication, and leadership over the past two years!*

# With Deepest Gratitude & Support

To the brave **CHP officers, firefighters, police, and first responders** who risked their lives battling the devastating Southern California fires—**thank you**. Your unwavering courage, sacrifice, and commitment to protecting our communities do not go unnoticed.

During these challenging times, we also extend our deepest sympathies to our **CHP 11-99 Foundation members** and all those who have lost their homes or been affected by these wildfires. The road to recovery is not easy, but please know that you are not alone. We stand with you, offering our support, strength, and solidarity.

In the face of destruction, your heroism has been a beacon of hope. We honor your service and will continue to support those who give so much for the safety of others.

Commissioner Duryee surveying the damage

Our heartfelt appreciation,  
The CHP 11-99 Foundation

# YOUR DOLLAR\$ AT WORK

**OVER \$52 MILLION**  
in assistance since 1982

### OFFICERS RECEIVE GOVERNOR'S PUBLIC SAFETY OFFICER MEDAL OF VALOR

*Commissioner Sean Duryee (15584), Attorney General Rob Bonta, and Governor Gavin Newsom with Medal of Valor recipients Officer Troy Wiltshire (22710), Officer Jeremy Welch (18529), and Officer Aaron Adair (22398)*

**O**n February 27, 2024, Governor Gavin Newsom, alongside Attorney General Rob Bonta and CHP Commissioner Sean Duryee, presented the Governor's Public Safety Officer Medal of Valor to CHP Officers Jeremy Welch, Aaron Adair, and Troy Wiltshire for their extraordinary bravery.

Officer Aaron Adair was honored for rescuing an unconscious driver from a burning vehicle on Interstate 10, suffering burns in the process. Officers Jeremy Welch and Troy Wiltshire received the award for stopping a high-speed wrong-way driver by using their patrol vehicle as a barrier, preventing a catastrophic crash.

"These officers displayed incredible courage and selflessness," said Commissioner Duryee. Their heroic actions exemplify the CHP's dedication to public safety and service, going above and beyond the call of duty to protect California's communities.

*Officer Jose A. Benitez (17795)*

*Officer Michael Estey (22458)*

*Officer Christian Lara (17996)*

*Officer Luis F. Rodriguez (21714)*

*Officer Chad Smith (19683)*

*Officer Jon Wion (20713)*

"I am incredibly proud of these courageous officers who, even in the face of great danger, honored their sworn oath by putting their own lives at risk to protect others. Their unwavering commitment and courageous actions exemplify the true spirit of law enforcement."

- CHP Commissioner Sean Duryee

### SIX CHP OFFICERS RECEIVE GOVERNOR'S STATE EMPLOYEE MEDAL OF VALOR

**O**n June 25, 2024, Governor Gavin Newsom honored six CHP officers with the prestigious Governor's State Employee Medal of Valor at the CHP Academy in West Sacramento. Each officer received the Special Act Award (Gold), California's highest recognition for employees who risk their lives to save others.

**Officer Jose A. Benitez** was recognized for his lifesaving actions on May 2, 2023. While patrolling a rural road in Kings County, he witnessed a vehicle veer off the roadway, strike a power pole, and land in a canal, rapidly filling with water. Without hesitation, Officer Benitez entered the canal and found a semi-conscious pregnant woman trapped in the driver's seat. He pulled her out through the window and safely assisted her to the canal bank, preventing what could have been a tragic outcome.

**Officers Michael Estey and Luis F. Rodriguez** were awarded for their exceptional bravery on June 6, 2020, when they responded to an ambush in Ben Lomond. A domestic terrorist had fatally shot a Santa Cruz County Sheriff's Sergeant and was firing at responding officers. As Officers Estey and Rodriguez approached, their patrol vehicle was struck multiple times by gunfire. Despite the extreme danger, they engaged the shooter, wounding him and preventing further loss of life. Their quick actions undoubtedly saved lives that day.

**Officers Chad Smith and Flight Officer/Paramedic Jon Wion** were honored for their heroic response to a private plane crash in Redding on August 27, 2020. The officers navigated a steep, brush-covered ravine to reach the wreckage, where two victims were trapped—one on fire. They provided immediate aid as CHP personnel battled surrounding flames. As fire crews arrived, the officers assisted in carrying the severely injured victims up the steep embankment to awaiting ambulances.

**Officer Christian Lara** demonstrated extraordinary courage on November 30, 2022, in San Diego County. He spotted a crashed vehicle partially hanging over an overpass, engulfed in flames with the driver still inside. With no time to spare, Officer Lara broke the passenger window, pried the door open, and pulled the driver to safety before the vehicle was consumed by fire.

"These officers embody the true spirit of public service, putting their own lives at risk to save others," said Governor Newsom. "Their selfless actions reflect the highest values of the CHP."

## CHP CELEBRATES 50 YEARS OF WOMEN IN THE DEPARTMENT

This past September, the CHP celebrated a historic milestone—50 years since women were first allowed to join its ranks. Governor Gavin Newsom and CHP Executive Management honored this occasion as members of the inaugural Women Traffic Officer Project (WTOP) class reunited at the 50th Anniversary WTOP Gala in Sacramento to celebrate their legacy and service.

On September 30, 1974, 41 women joined the Meadowview CHP Academy alongside 42 male cadets as part of a ground-breaking two-year experimental program to determine if women could effectively serve as state traffic officers. On January 16, 1975, 27 women graduated, proving their ability to complete the rigorous 16-week training. Five of the top eight academic graduates were women, and one earned a perfect score in pistol shooting.

Their journey didn't end at graduation—each officer's field performance was closely evaluated, with the understanding that unsatisfactory results could disqualify the entire class. After two years,

the U.S. Department of Justice confirmed that employing women as state traffic officers was not only feasible but successful, ushering in a new era for the CHP.

**"Law enforcement is not a 'male' or 'female' profession," said Commissioner Duryee. "It is a profession of service and sacrifice. The inaugural class served with dedication, paving the way for future generations. We owe them a great debt of gratitude."**

Over the past 50 years, women have held every rank within the CHP, from officer to Commissioner, serving in diverse roles such as motorcycle officers, pilots, K-9 handlers, investigators, mounted patrol, and more.

In honor of this milestone, the CHP released a commemorative video featuring firsthand accounts from members of the Women Traffic Officer Project (WTOP) class, celebrating their legacy and lasting impact on law enforcement.

## From recruit, to cadet, to CHP officer - their journey

CTC IV-24 begins their 26-week journey at the Academy. Known as "pick-up day," this marks the cadets' first encounter with their Recruit Training Officers.

Cadets of CTC VI-23 in their cadet uniforms.

New officers shaking hands with Commissioner Duryee on graduation day, while families proudly look on.

## Officers Andre Moye Jr. and Andy Ornelas Memorialized

Two fallen CHP officers were recently honored with freeway sign dedication ceremonies in Southern California. Family, friends, and colleagues gathered to pay tribute to CHP Officer Andre Moye Jr. (EOW August 12, 2019) and CHP Officer Andy Ornelas (EOW December 2, 2020).

On September 3, 2024, a memorial sign dedication ceremony was held at the Moreno Valley Conference and Recreation Center, marking the designation of Interstate 215 from the Eucalyptus Avenue overcrossing to the State Route 60 junction in Riverside County as the CHP Officer Andre M. Moye Jr. Memorial Freeway.

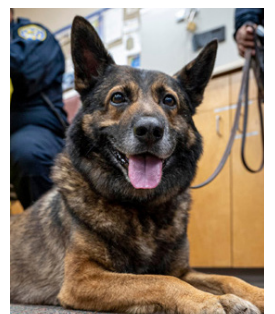

To honor Officer Ornelas, a memorial sign dedication ceremony was held on December 2, 2024, at The Highlands Church in Palmdale. The State Legislature designated the portion of State Route 14 from the Avenue O-8 bridge to the Avenue M overcrossing in Palmdale as the CHP Officer Andy Ornelas Memorial Highway.

These designations will forever memorialize their sacrifice and serve as lasting reminders of their dedication to protecting Californians.

## K-9 Beny Retires After Storied Career

On July 11, 2024, the CHP Merced Area celebrated the retirement of perhaps the CHP's best-known canine, Beny. Beny began serving California in 2015 in Golden Gate Division as a dual-purpose K-9 (criminal apprehension and narcotic detection). He transferred to Central Division in 2018, earning national recognition for his outstanding drug detection and prevention efforts. Beny was also a beloved community ambassador who participated in numerous events and school visits.

Over his career, K-9 Beny seized over \$10,000,000 in currency from the sale of narcotics and prevented massive quantities of drugs from reaching our streets, including (but not limited to) 42 pounds of heroin, 206 pounds of fentanyl, 233 pounds of cocaine, and 750 pounds of methamphetamine. In addition to his seizures, Beny helped execute approximately 30 apprehensions and 200 arrests.

At his retirement celebration, Beny received certificates of recognition from State Assembly and U.S. Congressional representatives, praise from the Merced County District Attorney, and a much-deserved prime rib steak. Beny's handler, Sergeant Shane Kensey (15653), described their bond as unbreakable, noting that Beny always answered the call to help save the day. Beny's service and legacy will leave a lasting mark on the community.

## a lifelong dream of joining the CHP

"This scholarship has given me the incredible opportunity to pursue my dream of a career in law enforcement. I am currently studying Administration of Justice at College of the Canyons, working toward my AA degree with the goal of joining the CHP as soon as I am eligible.

From age five, I knew I wanted to follow in the footsteps of my father and grandfather, both of whom proudly served as CHP officers. Now, at 19 years old, I am preparing to apply on my twentieth birthday in May, eager to continue my family's legacy."

- Haiden Tondreau  
General awardee

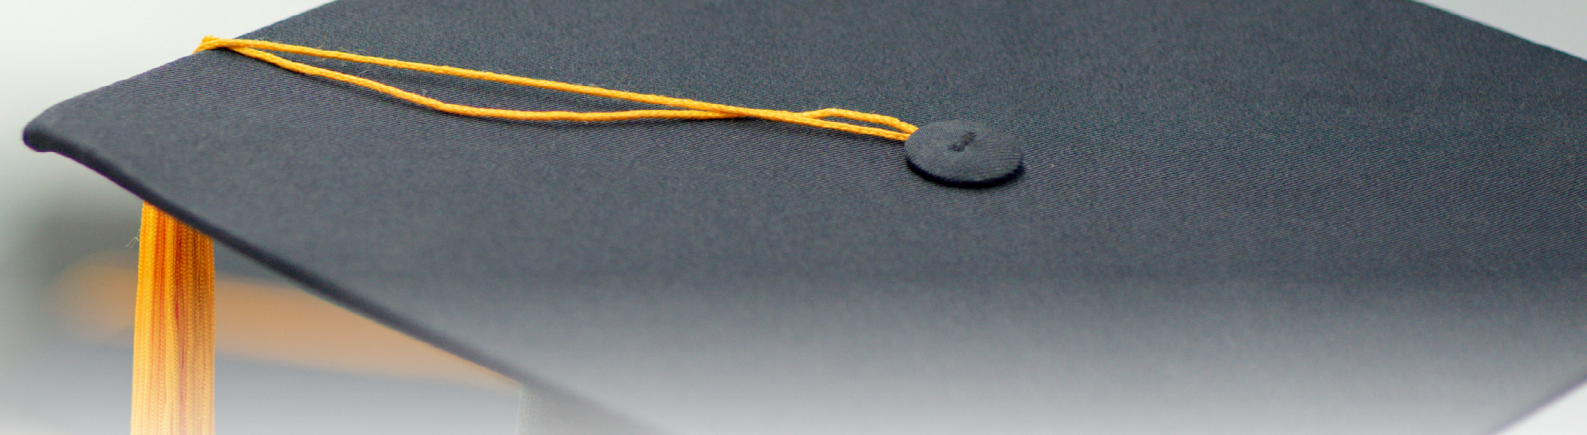

## turning dreams into reality

"Thank you for your generous support! My family and I are truly grateful. I am in my final year at Boise State University, earning degrees in Criminal Justice and Communication. My goal is to pursue a career in the criminal justice field, hopefully as an FBI Agent.

This scholarship has eased my financial burden and brought me closer to achieving my dreams. I sincerely appreciate your belief in my future!"

- Gianna Moorman  
Sullivan awardee

## a passion for women's health

"Your generosity has allowed me to set myself up for success and achieve my goal of graduating debt-free. As one of six children, I have been blessed with supportive parents who have done their best to help us pursue our dreams. Thanks to this scholarship, I am on track to graduate Summa Cum Laude in Spring 2025 with a degree in Health Science and a minor in Family and Consumer Science.

My passion is to support women postpartum by empowering and educating them about their bodies as a lactation consultant, helping mothers and babies both locally and in underprivileged countries worldwide."

- Laramie Grant  
Sullivan awardee

## a future in orthodontics

"This scholarship is a tremendous help as I begin my second year of college this fall. I am working toward my bachelor's degree at Boise State University and hope to continue my education in dental school to become an orthodontist and open my own practice.

With my mom serving in the CHP for 24 years, our family truly appreciates this Foundation and its support. This generous donation brings me one step closer to achieving my dreams."

- Emily Namikawa  
General awardee

# Profiles of Generosity

CHP Officer Chris Wolter and his K-9 Brutus, pictured with Alma and Enes Torlic.

## ALMA & ENES TORLIC

Enes and Alma Torlic's unwavering support for the CHP 11-99 Foundation is rooted in gratitude, love, and a deep appreciation for those who protect and serve. Their journey began through a friend's recommendation, and upon learning about the Foundation, they immediately connected with its mission. "We believe in giving back to society," Alma shares. "We value education, family, and community", all values that align with the Foundation's work and programs.

Their generosity comes from the heart, driven by immense appreciation for law enforcement officers who risk their lives every day. "It's everything," Alma says emotionally. "These special souls do what they do to take care of us, and not everyone

has the capacity for that."

For Enes and Alma, philanthropy is about inspiring others to give back. Enes explains, "You never know what an officer is walking into when they make a stop. We have to help each other the best we can."

Their greatest joy comes from love—of family, friends, pets, and simple human connections. "Even giving a stranger a smile or a compliment can make their day," Alma reflects.

Their story is a powerful reminder that the greatest impact often comes from the heart.

## DEEKSHA & SHILAJ SINGHAL

For the Singhals, giving back is a way of life. With a love for travel, sports, and time together, they've also found purpose in supporting the 11-99 Foundation and the CHP families it assists.

Their journey began with curiosity about the Foundation's signature license plate frames, leading to heartfelt conversations with friends. Inspired, they joined as Classic Members and have since elevated their commitment to the Diamond Level of giving.

What, in their opinion, sets 11-99 apart? The personal connection. "Most organizations send generic thank-yous, but here, we received handwritten notes from scholarship recipients—a tangible reminder of the impact," they share. "The Foundation's transparency, inclusivity, and real-time support for CHP families in crisis make it truly special."

Beyond financial contributions, they cherish the sense of community 11-99 fosters. From impactful events to meaningful interactions with other donors and CHP families, they feel truly connected to the cause. "It's more than a Foundation—it's a family," they say.

Their message to others: get involved. "CHP officers risk their lives daily without asking for anything in return. When tragedy strikes, 11-99 steps up—no red tape, just real help."

For this family, their joy is found in spending time with loved ones—and the excitement of 11-99's live auctions (*we did not pay them to say this, we swear!*). Their greatest loves are their 15-year-old son, 10-year-old daughter, and the fifth member of the family, a Maltese-Poodle named Bella. Through their generosity, they ensure CHP families always have a helping hand.

## STACEY & JIM ALVES

For over 36 years, Jim Alves has run a successful trucking company, with his fleet passing through CHP scales stations daily. While some truckers see these inspection stops as a hassle, he values them. "They help us catch things we might miss—it's an extra layer of safety," he says.

His appreciation for CHP led to dropping off gift baskets at inspection stations over the years, but when he learned about the CHP 11-99 Foundation, he found a way to give back on a larger scale. The Foundation's support for CHP families and its scholarship program resonated deeply with him and his wife, Stacey.

What keeps Jim & Stacey committed is 11-99's transparency. "With some charities, you never know where the money goes. But here, you see the impact—especially with scholarships," he explains. "To see the faces of kids and read their stories, makes

it personal. We know we are directly helping these families."

They actively spread the word to friends and colleagues, encouraging at least ten others to join. "People don't realize what officers go through until they ride along. They see the worst of the worst—accidents, tragedies. They put their lives on the line for truckers like my employees, and I respect that."

Beyond their dedication to 11-99, the Alves cherish family life. As a father of five, Jim recently returned to his roots, purchasing his grandfather's old winery in Morgan Hill and beginning the transformation of the property into a forever home. For Jim, supporting 11-99 is about making a real difference, ensuring CHP families receive the help they need—just as officers continue to protect truckers on the road.

*Thank you to all of our generous donors, whose passion fuels our mission.*

# events

## ANNUAL BOB WEINBERG GOLF TOURNAMENT

*presented by Harbor Freight Tools Foundation at Arroyo Trabuco Golf Club, Mission Viejo*

With perfect weather and a stunning landscape, golfers teed off at our **2024 Bob Weinberg Golf Tournament & Evening Under the Stars** for a memorable day at Arroyo Trabuco Golf Club.

That evening, the dynamic and talented **Shawn Parr** once again brought his signature humor and energy as host, dazzling the crowd in his "Rhinestone Cowboy" attire during the always-exciting live auction. Auction highlights included a luxury Mammoth condo stay, a Nashville dining experience with Shawn Parr, a Napa Valley getaway, and lunch with Alonzo Bodden in Las Vegas. To top off the night, **Alonzo Bodden** delivered a comedy set that had the crowd in stitches.

A huge thank you to our generous sponsors, attendees, volunteers, golf committee, 11-99 staff, and CHP guests who make this event truly first-class every year!

**SAVE THE DATE FOR THIS YEAR – SEPTEMBER 19, 2025.**

## 2024 MONTEREY CAR WEEK

*Motorlux at Monterey Jet Center, and The Quail, a Motorsports Gathering at The Quail Golf Club*

### MOTORLUX

Last year marked our third *Motorlux* with Hagerty, Inc. as the selected charity. Our 11-99 lounge featured a silent auction, membership display, winner's choice drawing, and the opportunity for attendees to meet local CHP officers from Monterey and the Golden Gate Division. Thank you to all our members and supporters who stopped by to bid, join, or upgrade their membership!

### THE QUAIL, A MOTORSPORTS GATHERING

We had an incredible time at The Quail with a brand-new elevated look and feel for our tent, along with several new staff members on board. The beautiful weather and stunning cars set the perfect backdrop for an unforgettable event. Our 11-99 Lounge was a hit, as was our impressive floor-to-ceiling membership display. A huge thank you to everyone who stopped by to apply for membership, enter our car drawing, purchase custom Car Week merch, or bid on a silent auction item!

## 5-STAR SALUTE TO CHP SQUAD CLUBS WHO DONATED IN 2024-25:
